OUR STORY

The Secret Ingredient, inc. was started in 1979 by Jeanne Rush. She discovered a need for contemporary and updated fashions in Richmond, Indiana. Two years later, she opened a store in Dayton, Ohio and another two years later she opened a third store in South Dayton. In 2003, she bought Tarkington Trend in Indianapolis and made it her fourth store. In 2007, Jeanne decided to take on another store in Ave Maria, Florida after closing one of the two stores in Dayton. With all four stores Jeanne stays busy still buying for each of them and catering to her loyal customers, some of which have been with her for over 30 years. All this could not be possible without her incredible staff.
