

Chelsea Tee Time Information

Vasari Country Club uses the Chelsea system to book tee times based on member requests. Members can request tee times by utilizing one of the following methods:

- ~ using the internet
- ~ using the monitor at the Pro Shop

Why Chelsea is the fairest method for booking tee times at Vasari Country Club.

- ~ Chelsea is fair and equitable because it assigns tee times based on past play history. Points are assigned each time a member plays and each time a member books a time. The more points a member has, the less chance that member has of receiving the requested time over someone who has fewer points. Points are accumulated on a rolling 14 day cycle. Points that may have been assigned 15 days ago do not count against you.
- ~ Chelsea is not a first call, first served system. A member can use Chelsea 24 hours a day, between 7 and 30 days prior to the day which he or she wants to play. The tee time will be assigned 7 days prior to the requested date of play at 3:00 a.m. If you decide you want to play after the tee times have been assigned, you may still use Chelsea one to six days prior to book an available time. You may not, however, book a tee time on the same day through Chelsea. All same day bookings must be done through the Pro Shop.

What you need prior to requesting or booking your tee time

- ~ Internet or Pro Shop access
- ~ The date that you wish to play (mo/day/yr)
- ~ The number of players in your group
- ~ The member number of each player in your group
- ~ The starting time that you would prefer

Your member number has 4 digits. For Chelsea purposes only, your member number will be 5 digits. You must contact a Pro Shop staff member, who will assign your five digit number for you. At that time you will also set up a user ID and password to log into the system. The extra digit is how Chelsea differentiates you from anyone else in your family. The first number you enter in when making a request is called the "Captain's" number. If you have a guest, enter in the Captain's number again. The system will ask you if this player is a guest.

How to Request a Tee Time on the Chelsea System:

1. Log on to the Vasari Country Club Web Site, www.vasaricountryclub.com.
2. At the right side of the home page under Golf, click on the “tee times” tab.
3. You will be asked to type in a member number and a password. Your member number is your 4 digit member number plus the extra number assigned to you from the Pro Shop. The password is up to you.
4. You will be at your golfer profile page, where you can update personal information such as address, phone number, e mail, etc. Click on “submit” after entering any information.
5. At the top of the page, click on the blue “request” tab. Then click “add a request”.
6. You will be asked to enter from the drop down windows:
 - ~ the date you wish to play
 - ~ the requested time you wish to play
 - ~ the earliest or latest time you could play
 - ~ the preference, which would be “time”
 - ~ the number of holes you wish to play
 - ~ the number of tee times you need to link, if more than one.
7. Review all the information you entered and click “Player Information” if correct.
8. Enter the five digit number for player number 1. Do the same for the other players in your group. If they are guests, click on guest from the drop down box and the number will automatically fill in.
9. Review your information and click submit.
10. You will be given a tee time request confirmation number. It does **NOT** confirm your tee time. With this number, you can cancel or edit your request at any time before it is processed.

10. You will be given a tee time confirmation number. It confirms your tee time.

Chelsea Reservation System Changes Effective March 8th, 2011

During the months of January through March, Chelsea will have these new programs installed into its system.

*Guest Play – Only members will be allowed before 10 a.m. You will not be able to enter a guest on a request before 10 a.m. When entering a guest's name, you must put their first and last name in to make the request valid.

*Bonus Points – Resident and Annual Members will receive credits towards their play history points when they receive a booking that is different than their requested time as follows: Members will receive 1/10 of a point for every 60 minutes difference between what was requested and what was received.

* Edit a player – Members will no longer be able to edit the players in a booking with their confirmation number. You must call the Pro Shop once the tee sheet has been booked to change any player information. Members may still delete a player or a booking.

The information on these pages should be used as a guide to get you started and hopefully familiarized with using the Chelsea system. Please feel free to ask any one of us here at the Pro Shop if you have any questions about using the system. We are sure once you get comfortable using it, you will come to appreciate the convenience and easy 24 hour access the system provides to you.

Thank you,

Vasari Golf Staff
